Action petitioned for	JUST SAY NO!... TO WORKING ON A FRIDAY AFTERNOON
Petition summary	<p>We, the undersigned, call upon Parliament and Corporate Cape Town to reduce working hours on a Friday. This absurd insistence of forcing Capetonians to remain at work on a Friday afternoon in a City that begs for a more relaxed vibe needs to stop. We as Capetonians intend to take a stand. No longer shall we see beaches and cocktail bars empty on a Friday afternoon. No longer shall we endure the Friday afternoon traffic jam! We intend to free Corporate Cape Town from its desk-shackles, and liberate the office dweller by extending the weekend!</p> <p>We propose the business community adhere to the following policies:</p> <ul style="list-style-type: none"> • Calling a meeting after 12h00 on a Friday is to be outlawed • Language suggesting the execution of work (i.e. words including brainstorm, strategy, budget and annual reporting) to be banned from use after 12h00 on a Friday • Employees should be strongly advised to shut down computers from 14h00 at the latest • Weekend overtime of any nature to be discouraged <p>Viva the weekend! Viva!</p> <div style="text-align: right;">  </div>
